There are two input fields: "Username" with the value "jmcxon@atp.com" and "Password" with masked characters. A blue "Log In" button is below the password field. Below the button is the text "Forgot?" and "OR". A red box highlights a grey button labeled "Register Here" with the text "Don't have an ATP Username & Password?" above it. Below the button is a paragraph of text: "The ATP Aviation Hub™ streamlines aircraft maintenance workflows and improves processes with anywhere, anytime access to ATP® Libraries, Profile and Compliance history tracking, the AskBob™ AMT Community, and more." At the bottom of the highlighted area is a link: "Learn more about the ATP Aviation Hub™".
